

Wild Dog Control Roadshow

Dysart | Emerald | Moura | Injune

Lucky door prize at each event!

Are wild dogs costing your business money? Join one of our workshops and learn humane, safe and effective ways to trap and control wild dogs.

Gain hands-on skills in:

- ✓ baiting
- ✓ shooting
- ✓ trapping
- ✓ fencing

The guest speakers

Darren Pointon

OUT 'N' ABOUT TRAPPING AND OUTFITTERS
Darren Pointon has been a professional vertebrate pest manager for the last 30 years. Specialising in wild dogs, Darren works with government and private landholders across land tenures to resolve wild dog impacts on livestock, native wildlife, pets and people.

Jordy Oostrom

NORTHERN TRAPPING SERVICES
Jordy Oostrom has been trapping predators for over 25 years, developing his business as a professional pest controller for private and government agencies. Jordy's experience includes trapping, deer control and guided hunts in Europe and North America.

All attendees from the Fitzroy region are eligible for a **50% rebate** on the trapping and monitoring equipment on sale at the roadshow.

Rebate capped at \$500 per business.
