FBA works closely with local people to deliver solutions for a healthy environment. Learn more about FBA's services at fba.org.au

Are wild dogs and feral pigs costing your business money? Join one of our workshops and learn humane, safe and effective ways to manage feral animals.

Gain hands-on skills in:

- ✓ Baiting
- ✓ Trapping
- ✓ Shooting
- ✓ Fencing

THE PRESENTERS

Darren Pointon

Out 'n' About Trapping and Outfitters

Darren Pointon has been a professional vertebrate pest manager for the last 35 years. Specialising in wild dogs, feral pigs and deer. Darren works with government and private landholders across land tenures to resolve wild dog impacts on livestock, native wildlife, pets and people.

Jordy Oostom

Northern Trapping Services

Jordy Oostom has been trapping predators for over 30 years, developing his business as a professional pest controller for private and government agencies. Jordy's experience includes trapping, deer control and guided hunts in Europe and North America.

Funded by the Queensland and Australian Governments as part of the Queensland Feral Pest Initiative.
