

Koala Field Day

Learn how you can help koalas in the Clarke-Connors Range

Nebo - Saturday 24 June

9:15am - 3:00pm

Meeting point: corner of Reynolds and Oxford St, Nebo

Sarina- Sunday 25 June

9:15am - 3:00pm

Meeting point: bus stop on Broad St, Sarina

Clarke-Connors range landholders and wildlife lovers of all ages welcome!

Morning tea and lunch included. Please bring a hat, closed in shoes and water bottle. We will be boarding a bus at the meeting points to drive to the tour

Come along to one of two interactive koala field days to learn all things koala. Discover how to protect koalas and koala habitat in the Clarke-Connors Range through hands on learning.

Learn...

- ✓ How to identify koala presence through scat, tracks and scratches
- ✓ How you can protect koalas
- ✓ How to improve koala habitat
- ✓ About koala research in the area and how you can be involved
- ✓ How to use the BioCollect App
- ✓ How to protect koalas on the Peak Downs Highway
- ✓ About FBA projects and fire workshops
- ✓ **Funding opportunities ... and heaps more!**

Come and chat to the experts!

CQUniversity Reseracher, Dr Alistair Melzer
BSc. Honours Student in Koala Research, Charley Geddes
FBA's Senior Science Officer, Dr Mark Schultz

RSVP

Friday 16 June
