

# iPhone Photography 101 - for Beginners

## Learn to take 'wow factor' photos on your iPhone!

**Do you see photos posted online and think 'wow', why don't my photos look like that?** This interactive iPhone photography workshop will provide you with the basics right through to some advanced tips and tricks to get your photos to pop! FBA's Communications Team will help answer any questions and walk you through your phone settings. You are sure to walk away with some impressive new skills!

**Please note this is an iPhone preferred workshop!**

### Learn

- ✓ Photo composition and angles
- ✓ How to use your phone settings
- ✓ Editing
- ✓ Video tips and tricks
- ✓ How to post online

### Plus

**Take a photo walk and test your skills with on-the-spot help and feedback!**

### Presenter

**TAYLA HILL**  
FBA Communication Officer  
Tayla is a communications professional, passionate about written and visual storytelling. Tayla leads FBA's social media accounts and campaigns and continues to significantly increase each platform's reach and following.

This event is supported by Fitzroy Basin Association, through funding from the Australian Government's National Landcare Program.
