

# Are you seeking to make a change?

**Make FBA your first point of call!**

## Fitzroy Basin Association is central Queensland's leading Natural Resource Management group.

We help build sustainable rural businesses in the Fitzroy. FBA's farm advisory services seeks to connect farmers with specialists in profitable, productive and sustainable land management.

- ✓ Looking to innovate?
- ✓ Don't know where to start?
- ✓ Want to link with people who can guide you?

**FBA can share the costs\* of eligible services for Fitzroy landholders.**

## What services are available?

- |                                  |                         |                                     |
