

Grazing fundamentals EDGE

Alpha, Qld: 15 October 2024

VENUE Alpha, Qld
TIME 8.30am to 4:30pm

The Grazing fundamentals EDGE workshop gives you a broad understanding of the components of the grazing production system and the core, scientifically-backed principles behind optimising grazing land productivity.

Attending this workshop will help you better understand:

- the soils and plants in your area
- connections between land condition, pasture growth and animal production
- the importance of ground cover and soil moisture
- how to allow for climate variability when planning
- the process and components involved in forage budgeting
- the different grazing systems available.

What you will learn:

- what influences pasture growth and quality
- local seasonal pasture growth patterns and key decision dates
- how soil properties influence pasture growth
- how grazing affects pasture plants, their productivity and growth
- how to assess land condition and how this impacts carrying capacity
- when and how to use pasture spelling
- principles behind successful grazing systems
- how to account for different classes of animals when assessing grazing pressure
- what's involved with forage budgeting and calculating carrying capacity.

What do other producers think of this workshop?

General feedback

“Great workshop, informative & practical.”

“Very beneficial & well presented.”

“I found it very informative for the time available.”

What aspect producers found most valuable

“Production point, when to sell, what to look for in assessing land condition.”

“Different grazing systems, pasture stability and resilience.”

“Pasture management and identification.”

“Feed budgets and land condition.”

“The explanation of AEs and determining carrying capacities.”

The presenters

“Knowledge exceptional, good mix of theory & activity.”

“Very experienced & great presentation.”

“Excellent presenters, knowledgeable & approachable.”

“Presenters were clear and precise in their presentation.”

“Experienced in broad range of topics. Have real life experience.”

Value for time & money

“Best investment of my time & money in a long time.”

“For the time and money you spend it is an excellent workshop and definitely worthwhile.”

“Extremely valuable.”

“So good. Worth the time investment.”

“Small outlay for major gains.”

Price

\$850 + GST / 1st person from one business

\$575 + GST / 2nd and 3rd person from a business (primary producers only)

Cost includes comprehensive set of Workshop Notes and Workbook as well as lunch, morning/afternoon tea.

Presenters

Dr Dionne Walsh, Range IQ
