

# Property Management – Understanding Financial Systems

**11 December, 9:00am – 4:30pm**  
**Emerald Town Hall, 33 Egerton Street, Emerald**

## DO YOU KNOW HOW TO MAKE SUCCESSFUL FINANCIAL MANAGEMENT DECISIONS IN YOUR GRAZING BUSINESS?

This **FREE** comprehensive workshop is designed for both seasoned graziers and newcomers to the industry who want to optimize the financial systems in your grazing business.

### LEARN ABOUT

- The difference between management and compliance accounts
- What makes a beef business 'sustainable'
- What drives profit in a CQ beef business
- Measuring and monitoring beef business performance
- Understanding regional industry performance
- What separates the average and Top 25% producers
- The importance of herd records and what the information can tell you about herd and overall business performance

*The workshop will be facilitated by Simone Parker, Senior Agribusiness Consultant from Bush AgriBusiness who specialises in developing and implementing strategy and business improvement.*

**RSVP: Vicki Horstman, Fitzroy Basin Association by 29 November**  
**M: 0419 160 537 E: [Vicki.Horstman@fba.org.au](mailto:Vicki.Horstman@fba.org.au)**

This event will be delivered by Bush Agribusiness sponsored by TNQ Drought Hub and supported by Fitzroy Basin Association

This program received funding from the Australian Government's Future Drought Fund
